

AHOM™ RMC Policy on Preventing Unlawful Evictions & Land Appropriation

Commitment

At A.H.O.M™ Relocation Management Company Inc. (AHOM™ RMC), we recognize that housing, land, and water are fundamental human rights. We strictly prohibit unlawful evictions, land grabbing, or unauthorized appropriation of resources within our operations or supply chain.

1. Standards

- Prohibit eviction or displacement without due legal process, fair compensation, and meaningful community consultation.
- Respect Indigenous land rights, community tenure, and international conventions such as the UN Declaration on the Rights of Indigenous Peoples (UNDRIP).
- Ensure relocation projects and partnerships protect community rights to housing, land, and water.

2. Oversight

- All projects undergo review to ensure compliance with land and housing rights.
- Suppliers and partners must align with these commitments as part of AHOM™ RMC's Supplier Code of Conduct.

3. Enforcement

- Violations will result in disengagement, contract termination, or legal action.

Conclusion

AHOM™ RMC is committed to making relocation an Anchor of Belonging — never displacement. We safeguard housing and land rights to ensure every move strengthens, rather than undermines, communities.
